

BUTTERLY

RAINBOW SCRAP CHALLENGE ROW BY ROW 2016

FABRIC

I'm starting to look forward to spring. In honor of the warming weather, purple butterflies are coming out for this month's sampler block. I'm going to use shades of purple for the wings and yellow for the bodies.

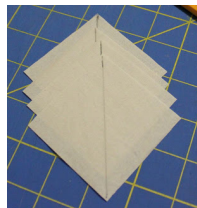

CUTTING

Purple: cut 2 rectangles 6.5 by 2.75 inches

Yellow: cut 1 rectangles 2 by 6.5 inches

Background: cut 4 squares 2.75 inches each

SEWING

Draw a pencil line on the back of each background square from corner to corner.

Place one background square onto either end of each of the purple rectangles. The diagonal lines should each point in to make mountains.

Sew along each drawn line.

Press the background squares in a "flip and sew" method.

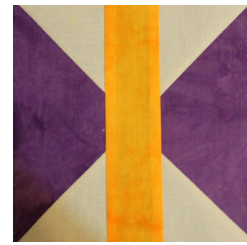

If you would like, you may sew another line closer to each corner about 3/8 of an inch from each sewn line. By cutting between the two seams, you can harvest 4 "bonus" HST units.

FINISHING

Sew one wing to either side of the yellow body strip. Your finished block should be 6.5 inches.

If you are making the larger size sampler, you will need to make 12 blocks. If you are making the smaller size sampler you will need 9.
